## Hard of Hearing Now Hear Clock Tick

A new device has been developed to give hope for the hard of hearing. Through the adoption of a new miniature electronic tube, science now brings restored hearing to the deafened.

No more cumbersome batteries or battery cords needed. No button in the ear. This new device weighs only a few ounces yet so powerful the hard of hearing may now hear whispers. It is suggested, if interested for yourself or a friend, write for full free information. Beter Hearing Institute, Wilshire Medical Exchange, 654 S. West Lake Ave., L.A. 5, Calif.

## PTA Council Hears About Visual Education Program

"One motion picture is worth a thousand spoken words," Mrs. A. C. Akerson of San Pedro stated as she expounded the effectiveness of visual education to the school child of today, before members of Gateway PTA Council Monday. This particular field of education is so important to the modern classroom that there is an audio-visual projector in every school of the Los Angeles City School district, the speaker said, and further made the statement that motion pictures are the most important tool that education has in our present generation.

The meeting, held at Dana Junior High School, was presided over by Mrs. H. W. Nansel with Mrs. O. I. Johnson leading the group in the pledge of allegiance to the flag.

Mrs. J. J. Millard presented the appeal for funds to be raised before June 30 for the first payment on the Tenth District PTA Health Center now under construction and urged everyone to support the fund-raising campaigns for this project.

Reporting from the various associations were Mrs. William Spellman, Banning; Mrs. Vernon Bailiff, Dana; Eric Heinzman, Gardena; Minot Rugg, Narbonne and M. P. Allen, San Pedro. Mrs. Bailiff, president-elect of Dana association presented Miss Frances Stephan, school principal, who gave a few words of welcome and Mrs. Heinzman was elected second vice president following the resignation of Mrs. Donovan Shields.

Plans were discussed for the annual Council breakfast in June and Mesdames R. Rasmussen, O. I. Johnson, V. E. Hopkins and M. C. Isaacson were named as a committee in charge of arrangements.

Mrs. Don Wolf, president of Lomita-San Pedro PTA Council
